Dear Chairman Olver and Ranking Member Latham:

I am requesting funding in the FY 2010 Transportation-HUD Appropriations bill from the Transportation & Community & System Preservation account for the Town of Purcellville to improve the Main Street and Maple Avenue intersection. The entity to receive funding for this project is the Town of Purcellville, located at 130 East Main Street, Purcellville, Virginia 20132. The funding would be used for improving the intersection at Main Street and Maple Avenue in Purcellville. I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of my spouse or me.

I hereby certify that this request will be made publicly available on my official Web site as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark, and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the *Congressional Record* describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Frank R. Wolf
Member of Congress
